Hot **RESTAURANT**

Power lunches have just gotten sweeter: Lexington Brass, the Midtown Manhattan hotspot, is full of celeb eye candy. According to reps, celebs including **Bethenny Frankel**, **Zoë Saldana** and **Leighton Meester** have all been spotted at the bistro since its opening last summer. Rest assured, of course, that owners Eugene Remm, Mark Birnbaum and Michael Hirtenstein make all their guests feel like stars. emmgrouppinc.com ★
